

Meal Sign Ups Made Easy

Helping Those in Need

Meet with the family to determine meal needs and preferences

Quick Tip :
Encourage meal providers to use disposable containers

Meal SignUp

Simplify the meal sign up process by going online with SignUpGenius.com

Include specific details in sign up – ex allergies, food preferences

Quick Tip :
Ask people to provide the recipe for the meal when delivered

Quick Tip :
Allow people to contribute money so the family can get take-out

Provide area where volunteer can input meal details to avoid duplicates

Include extra signup slots for breakfast, snacks or help cleaning house

Quick Tip :
Suggest kid friendly food if young kids are in the family

Check in with family to see how it is going – make changes if needed

Help the family out by sending the thank you notes for them

Quick Tip :
Encourage meals that can be frozen so family can save for later
